## "HEALTH"-Opportunities in FP7

Dear Health researcher,

This message is your FP7 Health programme in a nutshell for this year and complements our e-alerts.

### Expected calls

Expected Date	Name of Call	Prefix	Deadline for submission
30 July 2010	Health 5.Call	FP7-HEALTH-2011	October-December 2010
October 2010	IMI 3.Call	Innovative Medicines Initiative	December 2010

If you like to know more about the content of these calls, please contact me. You are also invited to check out the thematic webpage: [www.euresearch.ch/health](http://www.euresearch.ch/health)

As you are registered with Euresearch, you will automatically be informed by e-alert as soon as the calls open. However, as the **deadline** for submission is only a few months after the publication, early preparation is essential. We therefore offer the following thematic events:
