Dear Researcher,

This message is your FP7 Research Infrastructures programme in a nutshell for 2009 and complements our e-alerts.

**Expected calls**

Expected Date	Name of Call	Prefix	Deadline for submission
July 30 <sup>th</sup>	Call 6	FP7-INFRASTRUCTURES-2010-1	Dec. 3 <sup>rd</sup> 2009
July 30 <sup>th</sup>	Call 7	FP7-INFRASTRUCTURES-2010-2	Nov. 24 <sup>th</sup> 2009

If you would like to know more about the content of these calls, please contact me. You are also invited to check out the thematic webpage:  
[www.euresearch.ch/infrastructures](http://www.euresearch.ch/infrastructures)

As you are registered with Euresearch, you will automatically be informed by e-alert as soon as the call is open. However, as the **deadline** for submission is only three to four months after the publication, early preparation is essential. We therefore offer the following thematic event:

**Euresearch Events "Research INFRASTRUCTURES"**

Date	Name of Workshop	Description
June 17 <sup>th</sup>	How to make the best out of ICT and Research Infrastructures in FP7	Presentation of ICT and related Research Infrastructures Possibilities in FP7. This event will be held in English and takes place in Fribourg.

The foreseen topics in the Research Infrastructures Work Programme are listed in the Call Fiche, a document we send together with this NCP-Mail. Please note that the topics in the Research Infrastructures Work Programme are very closely linked to the ESFRI-Roadmap. The topics are subject to changes until official publication of the calls.

We also offer the following workshops to give you a more general understanding about FP7.
