

FFG

Research Infrastructures – Crossing Borders

An interactive Conference on Research Infrastructures in the 7th Framework Programme

St. Gallen, Switzerland; 14.–15.6.2010

Jointly organised by Österreichische Forschungsförderungsgesellschaft GmbH (Austria) , EU-Büro des BMBF für das Forschungsrahmenprogramm (Germany) and Euresearch (Switzerland)

Agenda

Day 1: Monday, 14.06.2010

- 10:00 Registration
- 11:00 Welcome and Introduction
Marion Korres, NCP Research Infrastructures Germany
Manfred Halver, NCP Research Infrastructures Austria
Dr. Juliane Sauer, NCP Research Infrastructures Switzerland
- 11:30 Key Note “Importance of Research Infrastructures now and in the future”
Dr. Christian Kurrer, European Commission, DG Research
- 12:30 It’s networking time: Lunch
- 14:00 Key Note “Digital services for physical Research Infrastructures”
Bernhard Fabianek, European Commission, DG INFSO
- 15:00 It’s networking time: Coffee break
- 15:30 Presentation Project Evaluation
Dr. Ute Linz, ISB, Forschungszentrum Jülich in der Helmholtzgemeinschaft
- 16:15 Speakers Corner: finding new Collaborations
Attendees present their project (5’), with Networking Area (Registered participants for the conference will get more information and a possibility to register for the Speaker’s Corner in due time.)
Moderation: Dr. Juliane Sauer, NCP Switzerland
- 18:00 End of Day 1

Day 2: Tuesday, 15.06.2010

- 09:30 Reflection on Day 1
Chair: Manfred Halver, Marion Korres, Dr. Juliane Sauer
- 10:00 Getting it done: Coordinators report
Coordinators share their experiences with the audience
Dr. Robert Jones, "EGEE: Enabling Grids for E-science", CERN
Dr. Olaf Jedicke, "EUMINAFab: Integrating European Research Infrastructure for micro-nano fabrication of functional structures and devices out of a knowledge based multimaterials' repertoire", Karlsruhe Institute of Technology
- 11:00 It's networking time: coffee break
- 11:30 Panel discussion: 'Everything you always wanted to know about the Work Programme – but were afraid to ask'
Dr. Philipp Langer, Swiss Programme Committee Member
Stefan Müller, Swiss Expert
Prof. Dr. Kurt Zatloukal, Coordinator preparatory phase project "BBMRI: Biobanking and Biomolecular Resources Research Infrastructure", Medical University Graz
Panel Moderation: Dr. Juliane Sauer, NCP Switzerland
- 12:30 It's networking time: Lunch
- 14:00 Workshop: I3 project type
Manfred Halver, NCP Austria
Bernhard Fabianek, European Commission, DG INFSO
Please note: Seats are limited! Please contact Manfred.Halver@ffg.at in case you would like to attend.

Approx. 16:30 End of event
