Euresearch is the *Swiss guide* to European research and innovation

Euresearch is an information and advisory service on the European Research and Innovation Framework Programmes. It has offices in all the Swiss regions and a Network Office in Bern. The Regional Offices are your first point of contact for all your research and innovation questions. The Network Office hosts the National Contact Points and the central Network services. Euresearch is a non-profit organisation supported by the Swiss Confederation.

Contact us — our services are *free of charge!*

Stay up to date on the latest European research and innovation opportunities by creating a profile in our database. You will receive our tailor-made email alerts on events, calls for proposals, news, and partner searches. Subscribe to our newsletter "Euresearch Info".
