Horizon 2020 - Marie Skłodowska-Curie Innovative Training Network (ITN) Applicants Training

Learn how to write a competitive ITN proposal

24-10-2017, 09:30-17:00 in Bern

Registration fee: free

[REGISTER](#)

The aim of this event is to train researchers, research managers and research support services in writing competitive ITN proposals. The training will tackle the success criteria for ITN proposals and the common challenges in ITN proposal writing. It will contain exercises regarding the different parts of the proposal, information from an evaluator and exchange of information with a successful applicant.

Agenda

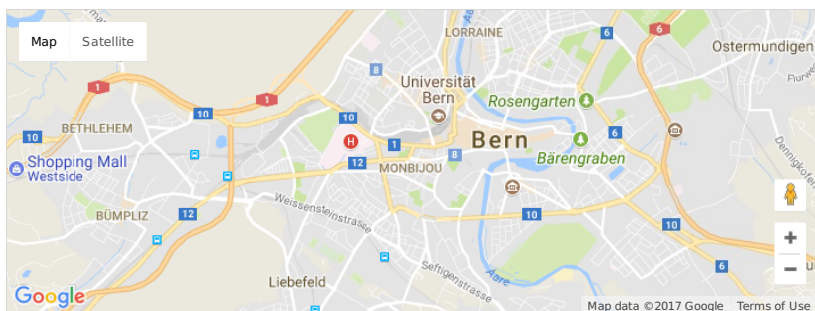

09:30-10:00	Registration & Coffee
10:00-11:30	Training Session I Dr Sibylla Martinelli - Euresearch
11:30-12:30	Questions & Answers with Evaluator Prof. Christian Bochet - University of Fribourg, Dpt of Chemistry
12:30-13:15	Lunchbreak
13:15-14:00	Success Story - ITN Coordinator Prof. Nico Bruns - Macromolecular Chemistry, Adolphe Merkle Institute
14:00-17:00	Training Session II Dr Sibylla Martinelli - Euresearch

Location

[Euresearch Head Office](#)

Effingerstrasse 19
3008 Bern
Switzerland

Meeting Room 1st Floor

Fee

This workshop is free of charge but registration is compulsory.

Field of Interest

Industrial Sectors

- Electronics, IT & Telecomms
 - Electronic circuits, components and equipment
 - Electronics, Microelectronics
 - Information Processing & Systems, Workflow
 - IT and Telematics Applications
 - Multimedia
 - Telecommunications, Networking
- Industrial Manufacturing, Material & Transport
 - Design and Modelling / Prototypes
 - Industrial Manufacture
 - Process control and logistics
 - Plant Design and Maintenance
 - Packaging / Handling
 - Construction Technology
 - Materials Technology
 - Transport Infrastructure
 - Transport and Shipping Technologies
 - Aerospace Technology
 - Traffic, mobility
- Other Industrial Technologies
 - Other Industrial Technologies
 - Process Plant Engineering
 - Apparatus Engineering
 - Chemical Technology and Engineering
 - Textiles Technology
 - Footwear / Leather Technology
 - Sound Engineering/Technology
 - Mining Technologies
 - Printing
 - Household Goods & Appliances
- Energy
 - Energy storage and transport
 - Energy production, transmission and conversion
 - Fossil Energy Sources
 - Nuclear Fission / Nuclear Fusion
 - Renewable Sources of Energy
 - Rational use of energy
 - Other Energy Topics
 - Energy Efficiency
 - Carbon capture and energy
 - Biogas and anaerobic digestion (AD)
- Physical & Exact Sciences
 - Chemistry

24-10-2017, 09:30-17:00 in Bern

Registration fee: free
