National Information Event on the ERC Synergy Grant

22-08-2017, 13:15-17:30 in Bern

Deadline passed on 16.08.2017

Event is fully booked

ERC Synergy Grants enable 2-4 top researchers with complimentary skills and knowledge to jointly address a research problem of their choice in unconventional ways. After a pilot in 2012 and 2013, the ERC decided to re-introduce the Synergy Grant to its portfolio, with the next Synergy Call closing on 14 November 2017.

Consider applying for a Synergy Grant if you are amongst the best researchers in your field and research age and have a cutting-edge research project in mind which necessitates the close collaboration with colleagues from complimentary disciplines. Moreover, you should be willing to expose yourself to one of the toughest competitions for research funding.

More information

This information event will provide information on the grant scheme and the upcoming call to outstanding researchers. Since the grant scheme is highly competitive, it only makes sense for you to participate if you consider yourself a potentially competitive candidate.

For more information on the scheme and support in judging your competitiveness, please don't hesitate to contact your [Euresearch regional office](#) and/or [National Contact Point](#).

Field of Interest

Scientific Disciplines

- Humanities
 - Theology & Philosophy
 - History & Cultural Studies (Arts, Art History, Archeology, Ethnology)
 - Languages & Literatures
- Social Sciences
 - Communication & Media Science
 - Education Science
 - Human Geography
 - Political Science
 - Psychology
 - Sociology & Social Work
- Economics
 - Economic Policy
 - Macro Economics
 - Micro Economics
 - Regional Economics
- Law
- Exact & Natural Sciences
 - Astronomy
 - Biology
 - Chemistry
 - Geography
 - Informatics & Computer Science
 - Mathematics
 - Physics
- Life Sciences
 - Bioinformatics
 - Biomaterials
 - Diagnostics

Fee

This workshop is free of charge but registration is compulsory.

22-08-2017, 13:15-17:30 in Bern

Deadline passed on 16.08.2017

Event is fully booked
