Horizon 2020 Work Programme

“Science with and for Society”

1. Calls and Topics

Every thematic area under Horizon 2020 has its own Work Programme. Work Programmes are divided into calls and corresponding topics.

Several projects may be funded under one topic, depending on the total budget. Proposal evaluation results can be expected 5 months after the submission deadline. The time limit for signing the grant agreement is usually 3 months.

The Work Programme Science with and for Society consists of the following call:
